The West Valley Boys Soccer Program has begun. The players are excited and are eager to get out on the pitch! We have high hopes for this season and for the program in general. We are attempting to build a dominant program that will rank in the top five in the State every single year. To do this we need to schedule games with tough Anchorage area and Kenai Peninsula teams. This requires substantial travel costs. In addition we need to acquire top quality training equipment and we need to arrange for top-notch trainers. We have several team goals. One is to achieve the top Team GPA average in the Region and the State. Another Wolfpack team goal is to win the MAC Region! Our ambitions do not stop there though, we also hope to build the program to a point where we can WIN a State Championship—and there's no better year to start than Now!

The bottom line is, for us to develop and maintain an excellent boys soccer program at West Valley High School, we need extensive financial resources. We raise funds through a three-pronged approach. First we solicit sponsorships from local area businesses in exchange for banner advertising on the fields and in the gyms. Secondly, parents and players participate in fund-raising events such as car washes and concession sales during the season. Finally, we conduct a donation drive among families, alumni, and friends of the program. Donations are the single most important source of funds for the program. You are receiving this letter because a player or coach has identified you as a potential booster or because you have donated to the program in the past. Please take a moment to consider donating. Your donations will help ensure that soccer continues to develop at West Valley and you will be supporting the successes and development of student athletes. It is our hope that all players will be able to fully participate in the program regardless of their financial means. Your generous donation will help make that a reality. Any amount would be great--\$50, \$75, \$100, \$250. Every single donation no matter how large or small will make a big difference! To donate to the program, please access the team web site: www.wolfpacksoccer.org and click on the donate button. You can then make a secure donation using your credit card or paypal account, or, you may donate by check. If you donate by check, please make checks payable to: "West Valley HS Boys Soccer Booster" and mail to West Valley Soccer Boosters @ PO Box 81002, Fairbanks, AK 99708. If you can not make a personal donation, consider a team banner sponsorship of \$275 from your own business or employer. The forms for sponsorship are available on the web page referenced above and can be mailed to the address above or hand-carried to team coaches or management.

Whether you are a family member, an alumni, a friend or just a soccer enthusiast, thanks for taking a moment to donate to the cause! If you have questions, please feel free to contact Coach Maxwell any time. We hope to hear from you soon. See you on the pitch!

Sincerely, *The West Valley Boys Soccer Team!*
